Renny Muleskins – Event Details*: (see www.CharlotteDGC.com for complete details)

"Skins" is a tournament format. Each hole played gets one "skin" per foursome. A player is awarded the skin when he scores a lower score than anyone else on a hole. If there is a tie for low score on a hole, there is a "push", and the skin(s) are carried over to the next hole. Then, the first time someone scores a sole low score for a hole, that player wins all the accumulated skins!

Two divisions will be offered – Pro and Am.

You will compete against only the players in your foursome.

Players will be seeded (and foursomes assembled) by finish in Saturday's event.

For people playing only Sunday, seeding will be by PDGA rating. Or if none, by TD's discretion.

Pros: Skins will be valued at \$4. **Min. \$500 added cash!** Top card: ~1/3 added. Last card: \$0 added.

Ams: Top group skins valued at \$6. Bottom group's skins valued at \$4 (\$1 per player per hole).

In-between groups' skins will be valued at a straight line distribution between these amounts.

Pro's will be awarded their skins in Cash and Am's will be awarded Merchandise Dollars.
