Skins is a fun and exciting format that gives everyone a very real chance at winning their entry fee back or more (Pro's in cash, Am's in merchandise dollars – those are the only 2 divisions). Players will be grouped by their order of the finish in the Spring Fling (see website for seeding info if you're only playing Muleskins). With over \$600 added cash, players on the top card (in either division) have a shot at winning over 10 times their money back! Players on the bottom card can win over 6X their money back.

Visit charlottedgc.com for more information.

NOTE : Club events are open to EVERYONE and playing is a great way to support our local courses!
