10:00 am First tee

The Winter Series is a fun opportunity to show your support for The Carolina Raptor Center and The Second Harvest Food Bank . I encourage all players to get out there and seek donations for both of these worthwhile organizations.

They are both tax deductible charities and can provide receipts, so ask your friends ,families and co-workers to help you out this year and make this yet another great event.

As usual,65.00 donation gets you admission to all events plus a players pak .

Any questions , 704-488-8108 or email,
